

## BACKGROUND

---

In the spring of 1952, the BUFFALO ACADEMY OF VETERINARY MEDICINE was organized as a continuing education venture. Since that time, it has become an outstanding example of our profession's will and dedication to educate its members beyond the academic environment. **Meetings will be provided virtually via Zoom** until we are able to hold our in person meetings at the Buffalo Marriott Niagara, 1340 Millersport Highway, Amherst, NY 14221 1:00 - 5:00 PM. New memberships are encouraged. All payments will be due before the first meeting you plan to attend. Please send in your completed registration form and payment before the meeting in order to receive the link for the webinar. It is very important we have an email for each individual member.
